This matter is before the court on defendant's *pro se* motions for (1) for extension of time to prepare for trial, which essentially amounts to a request to continue the trial currently set for 4 May 2009 and (2) reconsideration of the court's 19 December 2008 order, wherein the court allowed the government's motion *in limine* to introduce defendant's admission of guilt in a plea agreement and defendant's statements during debriefing and denied defendant's motion to suppress the same evidence. Having fully considered the motions, they are DENIED. The Clerk is DIRECTED to serve a copy of this order upon defendant.

This 27 April 2009.
